

Dog Days of Summer Come To An End

Welcome Back! Although I'm certain you could think of a couple of other places you would rather be, the EEDA Team is expecting a great year of student learning. With the inaugural year of the IGP behind us, we anticipate that you will be more confident with this tool. However, if you have new staff or need a refresher course, stay tuned for our scheduled IGP Success Planner webinars.

Employment Verification Forms (EVF)

An employment Verification Form is expected for every person paid in full or part with EEDA Career Specialist funds.

An email was sent 8/27/2013 to all EEDA District Coordinators with a request to work with the district's finance office to identify those being paid with EEDA funds. A list of all people paid with EEDA funds is due to Sherry Williams by 9/19/13. Once the list is received from the EEDADC the EVF links will be sent directly to the career specialist.

The EVF is due from the career specialist no later than September 27, 2013. There is no need to fax, email or scan a copy to the EEDA Office—simply complete the online form, using the link, and you have met the requirement. Too easy, right? The email will include the name of the school (ex: "Hello Williams Middle School") for whom the unique link was created. A unique group of numbers at the end of the link is associated with that specific school. Therefore, ***if your school's name is not in the header, do not use that link.*** If a single link is used to create more than one EVF, the system overwrites the previous EVF and that data is lost. Contact Sherry Williams at srwillia@ed.sc.gov with questions.
